Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$450,000.00 for Virtual Incubator Program in fiscal year 2010. The entity to receive funding for this project is The University of Alabama in Huntsville, located at 301 Sparkman Drive, Huntsville, AL 38152. The funding would be used to start a program that cultivates knowledge-based incubator activities, such as entrepreneurial education, mentoring, seminars, building of management teams, and effective technology commercialization. Taxpayer Justification: The Virtual Incubator Program is expected to create over 50 high tech jobs within the first 2 years. This funding will promote significant job growth.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
